ACTION CARD GAME

Animal Version

The idea behind this card game is to help you and your kids to get more active. You can play the game in a few different ways.

Game Directions Version 1: Shuffle the cards, deal out 5 cards laying face down, flip over each card and act out the animal action.

Game Directions Version 2: Shuffle the cards, set deck face down, flip a card and act out the animal action. Do this until you have made it through each card.

Game Directions Version 3: Set a timer for how long you want to exercise. Follow the directions for version 2 but when you get to the end of the deck reshuffle and keep going.

PDF Directions: Print page 2 and 3 of the PDF, cut each card out, and laminate if you wish.
